Sir:

This communication is responsive to the Final Office Action dated March 16, 2004, concerning the above-referenced patent application.

Amendments to the Abstract are presented as a new Abstract attached to this document for insertion after the claim pages of the application (or to replace the previously submitted Abstract). Additionally, a marked up Abstract showing changes is supplied on page 3 of this document.

Amendments to the Specification begin on page 4 of this document.

Amendments to the Claims are reflected in the listing of claims which begins on page 8 of this document.

Amendments to the Drawings begin on page 13 of this document, and include three attached replacement drawing sheets and corresponding annotated sheets showing changes, as
